"Homecoming"

The OHS Student Council is an organization composed of two elected representatives from each class and club and the president and vice-president who are elected by the entire student body. It is the organization that gives the students a voice in the governing of the school and is a member of the National Association of Student Council organizations.

The Student Council has been a very active organization this year. It sponsored the school Christmas Ball, a feed for the football boys, the school carnival, and the operating of the pop corn machine along with its regular activities. The Student Council gave \$100 to the speech department this year for use as they see fit.

Kayettes

Kayettes is an organization for girls sponsored by the Kansas Association for Youth. Each girl endeavors to live her life according to the Kayette theme, "Today for Tomorrow." Kayette members participate in school, community, and world service projects and take an active interest in their own religions.

The cerebral palsey drive was the first project of the school year. Other projects were the caroling party, the chile supper, gifts to orphans, the fashion show, and the annual Mother-Daughter Banquet.

Kays

David Tripp
President

Kays is an organization for boys sponsored by the Kansas Association for Youth. Each boy endeavors to live his life according to the Kay theme, "Today for Tomorrow."

The members participate in school, community, and world service projects. They each take an active part in their own religion. The Kays participate in an annual affair by serving at the Mother-Daughter Banquet. They sent delegates to Russell for the Kay-Kayette conference. Taking charge of concessions at Basketball games and setting up booths for the carnival kept them busy. The highlight of the year was the Father-Son night.
